New learners can begin with ASMI's free course. Premium members receive access to advanced Academy resources according to their active plan and course access.

Registration

Online enrollment, offline-class registration and free-demo booking are available directly through the ASMI Academy page on GoldFXClub.

Important Risk Disclosure

Trading in Forex, commodities and financial markets involves substantial risk and may not be suitable for everyone. ASMI training is educational in nature. No course, strategy, signal, algorithm or historical result guarantees future profits. Learners should understand risk management and trade only with capital they can afford to risk.
